Use your expertise to expand professional development offerings for your Pathway Partners with this exciting two-day training focused on the four pillars of STEM: inquiry-based education, integrated curriculum, project-based group learning, and career awareness.

**When:** Mon., April 27–Tues., April 28, 2020  •  Wed., June 3–Thurs., June 4, 2020  
**Arrival recommended on the evening prior to the first day of training. Departure recommended after 3 pm on last day of training.**

**Why:** Participants will gain experience delivering **three engaging STEM workshops** designed to provide in-depth educator professional development on concepts like project-based learning, inquiry-based education, and subject integration.

Gain access to high-quality training materials and support resources that will enable your organization to effectively deliver these STEM workshops to schools and partner organizations in your region. Upon completion of the training, all three workshops will be immediately deliverable at your location by your trained staff.

**Prerequisite:** In order to participate, you must already be a trained Pathway Provider. Provider organization and renewal must be current.

**Where:** Carnegie Science Center  
One Allegheny Avenue, Pittsburgh, PA 15212
Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities to obtain reasonable and appropriate accommodations, and support equal access to services, programs, and activities. For more information regarding accessibility, email info@CarnegieScienceCenter.org or call 412.237.1641.

**Lodging:** Accommodations are available at Hyatt Place Pittsburgh–North Shore, a five-minute walk from the Science Center. For hotel reservation information, please contact Toni Stith.

**Cost:** There are discounts for additional registrants from the same organization. The cost is broken down as follows:
- 1 – $2,500  •  2 – $4,000  •  3 – $5,500  •  4 – $7,000  •  5 – $8,500

**Register:** Email CustomerService@CarnegieScienceCenter.org.
