SCHOOL CERTIFICATION

We certify that the research projects entered by students from our school will meet the requirements of the Covestro Pittsburgh Regional Science & Engineering Fair. We encourage students to explore and investigate their world through inquiry-based research. We certify that our students' research will comply with the Covestro PRSEF rules and International Rules for PreCollege Research ensuring the safety and well-being of humans and animals involved in student research, as well as the safety and welfare of the student researchers themselves. We certify that each student researcher will work with an adult sponsor who has a solid background in science and will closely supervise the student's research.

Note: Sponsoring teachers will receive important information by email. Please check website and emails frequently.
