

## **SciTech Days Exhibits: March 6-9, 2018**

Exhibits are Tuesday-Friday unless otherwise indicated. \*indicates Art/Tech

### **Main Lobby (1<sup>st</sup> floor)**

Chevron – energy/geology  
Duquesne Light (Tues. & Thurs.)  
FedEx Ground – high tech tracking race  
PPG – cool coatings, bikes and more!

### **H2Oh! (mezzanine)**

ALCOSAN (Thurs. & Fri.) – buoyant forces  
Allegheny Land Trust – macroinvertebrates and more!  
Phipps Conservatory & Botanical Gardens (Tues.) – clean air plants display & plant giveaway  
\*Solar/Thermal Art – experiment with Nature (solar) and thermal papers

### **Buhl Lobby (2<sup>nd</sup> floor)**

\*Carnegie Mellon University (CMU) different daily  
\*Mattress Factory (Thurs.)  
Michael Baker International (Tues. & Wed.)  
Penn State College of Earth & Mineral Sciences (Thurs. & Fri.) – tornado sim, lightening in a bottle, geodes  
Penn State Materials Science & Engineering (Thurs. & Fri.) – demos of familiar objects – ceramic/metal/polymer  
Team RobotiX (Tues.) – new Cozmo robots, drive a robot, build...  
Valspar (Thurs. & Fri.)

### **Roboworld (2<sup>nd</sup> floor)**

Carnegie STEM Girls – Sphero robots  
Duquesne University – different daily  
International Titanium Association – memory properties and bending/unbending Titanium!  
\*Origami Revolution – make a NASA Origami model and more!  
\*Ozobots – your drawing makes them move!  
\*Robert Morris University –3D printer, Egg Bot, ...engineering & science  
University of Pittsburgh – different daily

### **3<sup>rd</sup> Floor**

Allegheny County Health Department:  
Epidemiology Lyme Disease  
Overdose prevention  
Duquesne University Pharmacy – dissolution experimenting (cotton candy...), spectrometer, ...

### **4<sup>th</sup> Floor**

Breathe PA (Tues. & Wed.) – pig lung demo & more!  
\*Music Tech – synthesizers – use images & drawings as a basis for creating sounds  
\*Nanotechnology – explore at the nanoscale – make a ‘nano’ bookmark  
NIOSH – spreading ‘germs’ using Glo Germ Gel  
Thermo Fisher Scientific (Thurs. & Fri.) – pipetting, DNA, ...
