

# SciTech Days: Exhibit Information

## Due Friday, Oct. 6, 2017

### EXHIBIT BOOTH INCLUDES:

(1) An 8' X 8' space\*; (2) A 6-8' table with covering and 2 chairs; (3) 7' vertical sign; (4) Stamper with your logo for use during SciTech; (5) Daily refreshments; (6) Free pass to come back to the Science Center; (7) free access to Carnegie Science Center for your volunteers on exhibit day! \*Each space will be assigned by sponsorship level and date of registration. During public hours, the exhibit booth and its contents are the responsibility of the participating organization.

### ID Sign Copy – for a 7' sign we make for you consisting of three posters

- ☒ 'Did You Know?': A brief and interesting fact (factoid) about your company or product which will be included in signage
- ☒ Education Options: for ex. Engineering  
Polymer/Materials Science  
Chemistry
- ☒ Career Options: for ex. Create products from different materials  
Research new technologies  
Interpret technical information  
Investigate problem-solving methods

### Exhibit Set-up –

- ☒ 3 Multiple-Choice Q & A: These are questions that can be answered easily by students after visiting your interactive exhibit. (The questions are for our Passport Student Accountability program.)
- ☒ Logo: Computer file
- ☒ Electrical/Internet: What do you need to plug in? Please make a list. We have wireless Internet available.

### Optional –

- ☒ 'Take Aways': Very popular. Everybody loves to take something home! How about a free gift that reflects your organization or your exhibit topic?
- ☒ Career/Product Handouts
- ☒ Information on High School Job Shadowing Opportunities & College Internships
