

CARNEGIE SCIENCE CENTER

One of the four Carnegie Museums of Pittsburgh

Bear Trail Cub Scout Badge requirements that you can meet at Carnegie Science Center

The Past Is Exciting and Important

Achievement 8c Put souvenirs of your visit, like your ticket, brochure or pictures you have taken in your den's scrapbook.

Family Fun

Achievement 10a Visit Carnegie Science Center for your family day trip. At your next den meeting, explain three things that you learned.

Saving Well, Spending Well

Achievement 13c If you buy something at the XPLO Store during your Carnegie Science Center visit, include it in your spending chart.

Information, Please

Achievement 17e Write a letter to the Carnegie Science Center and tell them what you thought about your visit.

Sports, Sports, Sports!

Achievement 23a Visit SportsWorks and learn how to play soccer, basketball or other team sports.

Jot It Down

Achievement 18b Use your visit to Carnegie Science Center as the topic of your letter.

Achievement 18f Write a story about something you did at Carnegie Science Center.

Achievement 18g Write a review of Carnegie Science Center to post on your den's bulletin board or in your den newsletter.

Be a Leader

Achievement 24c Organize a trip to Carnegie Science Center.

CARNEGIE SCIENCE CENTER
One of the four Carnegie Museums of Pittsburgh

Arrow Point Trail Badge requirements that you can meet at Carnegie Science Center

Space

Elective 1: a & c Visit the Buhl Digital Dome Planetarium for an up close view of star constellations and the North Star.

Aircraft

Elective 6b Visit SportsWorks and take a virtual airplane ride! Enjoy the same experience without having to pay for a plane ticket.

Elective 6c Explore the Forces of Nature Exhibit and watch a model hot air balloon rise in the Atrium gallery.

Elective 6e Explore the Forces of Nature Exhibit and learn how lift and drag affect an airplane.

Art

Elective 9a Create a collage of your trip to Carnegie Science Center and present it at your next den meeting.

Photography

Elective 11c Put the pictures you take at Carnegie Science Center to use! Mount them on cardboard for display, and write a sentence under each picture telling a story of your trip.
